

NALS of Michigan
Board of Governor's Meeting
Lansing Michigan
October 6, 2007

Can it really be that time again? Must be—the leaves are changing and that means “snow” is right around the corner! While the seasons change around me, I accomplished the following in accordance with my duties as First Vice President/Membership chairman:

1. Attended the EC Meeting and NALS of Michigan Board of Governor's meeting in June
2. Sent “welcome letters” and bookmarks to 15 new members
3. Sent letters, applications, and copies of upcoming state, regional and National events in response to 21 inquiries.
4. Communicated with NALS and local membership chairman regarding inquiries and new members
5. Attended the Region III meeting
6. Submitted two address changes to NALS, the EC and The Official Record circulation manager

A roster as of August 31 was e-mailed to the Local Membership Chairman and the Executive Committee. Welcome letters were sent to members who had joined as of June 1. An e-mail was sent to LMCs regarding letters to employers of new/renewing members.

I received notification that NALS of Michigan was awarded a \$350 grant from The NALS Foundation for our membership campaign “Follow the Yellow Brick Road”. This was announced in the article prepared for the latest issue of The Official Record.

As part of the Officer Outreach Program, I visited NALS of Calhoun County and discussed “enthusiasm toward membership”

Respectfully submitted

Roxann Repasy
First Vice President/Membership Chairman
