NALS of Michigan Webmaster
Summer Board of Governors' Meeting
June 21, 2008

This is the beginning of my second year as your webmaster. I consider this to be a prestigious position and I take my responsibility to the NALS of Michigan web site very seriously.

While attending the Professional Development Conference in Tulsa this March, Sandy Lavender applied for a NALS Foundation Grant for NALS of Michigan and we were granted the award! The grant was for developing web addresses at the NALS of Michigan website for the officers and chairpersons of NALS of Michigan, so that no matter who is in that office they can retrieve their NALS mail there and not clog up their work email. For example, the president's email address (no matter who the president is) would be president@nalsofmichigan.org. The scholarship chair would be scholarship@nalsofmichigan.org. This is a project I will be working on in the coming months in order to get it up and running. Many thanks to Sandy for applying for this grant!

I would like to remind all members that I am happy to post news about members on the Bulletin Board. This includes get-well wishes, congratulations (new babies, new jobs, retirements, etc.), notes of sympathy, and any other news you would like to have posted. Please feel free to email me at any time. My email address is: NALS_barbstone@comcast.net. There is an underscore between NALS and my name! One requirement I do have is that you write out the bulletin exactly as you want it posted to the web site and always include an address when suggesting that cards be sent to the member.

I plan to devote even more of my time and attention to the web site in the coming year. I have a lot of exciting ideas that I would like to implement as my learning curve straightens out!

Respectfully submitted,
