

**NALS OF MICHIGAN
PAST PRESIDENTS' COUNCIL REPORT
WINTER 2008 BOARD OF GOVERNORS' MEETING**

Bobbie and I were honored to be asked to co-chair this committee (you knew we had to be co-chairmen as we are practically joined at the hip) by President Dolores Oliver, PLS.

We wanted to do something a little different this time rather than the Chinese auction which has been done in the past. We put on our thinking caps, talked with some of the other past presidents and have decided that we will be offering two hand made quilts, yes that is correct, there will be two quilts – one made by each of us. We are hopeful that we will have at least one quilt top at the February meeting so that the members will be able to see them at that time. If we do not have one of the tops done, we will be forwarding a picture of both of them to the Governors so that the members will be able to see them. We will be obtaining a license from the Charitable Gaming Commission so that tickets will be able to be sold to other than members.

We hope that this will prove to be profitable and that the members will be as excited about this as we are.

We will be sending the quilts to a long-arm quilter who will be doing the quilting on them and therefore, the past presidents will only be asked to contribute to the cost of that quilting and the batting. The remainder of the cost of making these quilts will be our contribution to NALS of Michigan.

You will be receiving tickets and more information as we approach Annual Meeting.

Respectfully submitted
